

INTERNATIONAL SOCIETY
FOR THE STUDY OF
EMERGING DRUGS

JOIN THE INTERNATIONAL SOCIETY FOR THE STUDY OF EMERGING DRUGS (ISSED)

ISSED has the aim to unite the world's multidisciplinary leaders on Novel Psychoactive Substances (NPS), emerging substances, and associated trends in regularized discourse, partnership and study, with a goal to develop innovative strategies for interventions, while counteracting the threat posed by NPS and emergent substances in society.

WHY JOINING ISSED?

- Complementary access to the **VII International Conference on NPS**
- Complementary access to the **NPS Archive** with over **300 presentations**

- 50% discount of the publication fee for the new ISSED Journal on **Emerging Trends in Drugs, Addictions, and Health**

- Access to a **Network** with hundreds of NPS experts worldwide

- **Student discounts** available
